The provincial chapter of the Ku Klux Klan sought City Council's endorsement of a motion seeking the repatriation of all Chinese residents, most of whom arrived in Kamloops as railway labourers, and confiscation of all 47 Chinese owned businesses. The shameful motion was thankfully defeated ...but just by a slim 3 to 2 margin!

In 1966 Kamloops elected Peter Wing, North America's first mayor of Chinese descent, for the first of his three terms as mayor. Mr. Wing was also made a Freeman of the City in 1972 and received the Order of Canada in 1976. Fulton & Company LLP is proud of its role as an equal opportunity employer and salutes the accomplishments and contributions of every culture in our ethnically diverse community.
