125 YEARS

1885

1912

Tally Ho! Perhaps surprisingly, one of the first organized sports to be enjoyed by turn-of-the-century Kamloops residents was polo! Imported by the many British settlers in the area, the sport fit perfectly with the horse oriented society of the late 1800's and early 1900's. There were numerous matches, an active local club and, in 1912, Kamloops polo players were the reigning Provincial Champions.

NOW

2010

While none of the lawyers of Fulton & Company LLP are currently known to swing a polo mallet, the firm's many employees are active participants in a wide variety of other sports as well as proud sponsors of the 2010 World Masters, the 2011 Western Canada Summer Games, Boogie The Bridge, the Provincial AA Basketball Championship tournament and the prestigious Fulton Cup Girls & Boys High School Basketball tournament.
